We expect to keep in contact with you for at least the lifetime of your Chinook, and will always be available if you have questions or concerns about your dog. New owners are required to sign a contract prior to receipt of the puppy that specifies required health tests (OFA Hip x-rays at age 2 years, and CAER OFA Eye exam at age 2 years at a minimum), mutual obligations concerning the pup, etc. New owners are responsible for the cost of transporting their puppy to his/her new home – we do not fly puppies in cargo. If long distance travel is required, owners will need to fly here and carry the puppy home as cabin baggage.

If for any reason you are unable or unwilling to continue to care for the dog, you are required to return it to Spook Nook Chinooks.

21. Are you willing to agree to these requirements?
